

Barfield Grading Company, Inc.

132 Massey Street
Fort Mill, SC 29708
T (803) 547-4354
F (803) 547-5362

To Whom It May Concern:

Barfield Grading Company has been in business since 1988. Since starting out, we have grown tremendously adding a plethora of employees, equipment, and experience to the company. As of today, we have a fleet of over sixty plus pieces of heavy equipment and dump trucks that are equipped with modern day GPS systems that are built-in house. Our sitework specifications include the following:

Demolition, Erosion Control, Layout, Clearing and Grubbing, Mass Earth Work, Fine and Rough Grading, Stone Base and Setup, Asphalt Paving, Storm Debris Cleanup, Utility Work – storm drain, water and sewer, and curb and gutter.

With a bonding capacity of \$30,000,000.00 and our fleet of equipment and trucks, Barfield Grading prides ourselves in meeting tight and aggressive schedules for our customers.

For any further information, visit our website www.barfieldgrading.com. Please give me a call or email for additional information, questions, or concerns.
